- You will not email any unsolicited or unauthorized advertising, promotional materials, junk mail, spam, chain letters or any other form of solicitation.
- You will not provide material support or resources (or conceal or disguise the nature, location, source, or ownership of material support or resources) to any organizations designated by the United States government as a foreign terrorist organization.
- You hereby release and discharge JAR from any and all claims and agree to indemnify and hold harmless JAR from and against all claims due to any loss of data, including server downtime, service interruptions due to circumstances beyond the control of JAR, improper or illegal use or for any other reason whatsoever related to this email service.

By signing on the reverse side hereof I acknowledge that I have read and agree to abide by the Terms of Service contained herein.
