REALTOR® Affinity Partner: DELL

Dell offers NAR members discounts on all Dell desktops, notebooks, workstations, servers and storage. Dell also provides REALTORS® discounts on a vast array of software and peripheral products such as printers, monitors, digital cameras, handhelds, projectors.

Visit Dell's NAR web site and, when you are ready to purchase, simply call your sales representative at 1-877-648-3355 and mention Link #8569483 so that your NAR member discount can be applied to your order.

The Jackson Association of REALTORS provides this resource list to Members as an information source only. It is not an endorsement, nor warranty for any particular vendor, product or service.
